AMENDMENT A

In response to the Office Action dated January 18, 2000, having a shortened period of response set to expire April 18, 2000, please amend the subject application as follows:

IN THE CLAIMS

Please cancel Claim 1.

2. An elevator system comprising:
an elevator hoistway defined by surrounding structure;
an elevator car and counterweight located in the hoistway; and
a drive motor including a drive sheave located at a bottom portion of the hoistway, the drive motor being coupled to the elevator car and the counterweight via at least one flat rope for moving the elevator car upwardly and downwardly along the hoistway [An elevator system as defined in claim 1], wherein the at least one flat rope includes a suspension rope coupled to the elevator car and the counterweight, and a drive rope engaging the drive sheave for moving the elevator car along the suspension rope.
